Please note: Although some of our products are made with Gluten free oats, we list OATS as an allergen. These products may not be suitable for individuals with coeliac disease or gluten allergies due to in-store handling methods.

We take care to list all ingredients in our food and drinks, however we cannot guarantee a 100% allergen free environment as we use shared equipment to display, prepare and serve.

Key for Dietary Suitability:

Vegetarian (V): produced to a recipe and with ingredients that do not contain any sources of meat and fish, including seafood and insects. Vegetarian products may contain ingredients that are produced by animals, such as milk, eggs, and honey.

Vegan (Vg): produced to a recipe with ingredients do not contain any products that are derived from animals, including all animal species, fish, seafood, insects, and products produced by animals, such as honey. Due to our manufacturing environments and to the use of shared displays in store, our vegan products may not be suitable for those with MILK or EGG allergies.

Gluten Free (GF): All products that are labelled as Gluten Free are produced in manufacturing sites that are certified to produce products to the required standards to be called Gluten Free and have been tested to ensure the level of gluten is below the legal threshold.
